Do not plant near trees or shrubbery. They like plenty of sunshine. Disbud the lateral buds for show flowers.

Cultivate frequently. Cover with straw or other litter the first year to protect from heaving.

Plant in good average garden soil to which add some bone meal and crushed limestone.

Plant the roots 2 to 3 inches under the ground and cover the body of the plant with not over an inch of soil.

B. B. Wright Peonies

JEAN HARLOW 'Double White' 1939 Introduction

Early midseason large, compact pure white of unusual form with golden reflections in the depth of the well rounded petals. No stamens or carpels, tall strong stems hold the flowers above the rich green foliage. Flowers of unexcelled substance. Ideal for cutting, storing, and garden effect. Seems to be weather proof as it blooms young and every year regardless of the weather. A grand white peony in every way and universally admired and liked by all who have seen it, like the lady whose name it bears. Pleasing fragrance. Strong 3-5 eye roots \$25.00.

"REBECCA" Single Pink

Very early. Large very bright old rose pink of perfect form with bright rich yellow stamens and green carpels with light tips. Tall strong stems, vigorous grower, young and profuse bloomer even on newly set plants. Flower of good substance, fine for cutting and unexcelled for garden display. Strong 3-5 eye roots, \$5.00.

"ORIENTAL PEARL" Jap-Rose Pink

Late midseason. Very large light rose pink with large compact center of rich golden yellow petaloids.

This is an outstanding fine flower of perfect form and good substance. Tall strong stems with abundant dark green foilage. Oriental Pearl never fails to bloom. Admired by everybody.

Strong 3-5 eye roots, \$5.00.

NEW SEEDLING 1938**B. B. Wright—Honorable Mention at National Peony Show at Peoria**

Named after its originator and will be one of the popular fine peonies for years to come.

It is a good rich pink, not too deep, nor too pale. Stands very tall with good strong stems that hold well its very large rose type flowers. Blooms about mid-season. Should have a great future as a cut flower as it has plenty of substance in the flower and together with its attractive color and long stems has everything the cut flower peony should possess.

Of course with all these qualities it is also ideal for the garden or landscape. A real peony in every way. \$15.00 each.
